Comments: We the indigenous people, the Chamorros do not want to be part of the continual killing of thousands of people throughout the world. As humans, we deserve the right to live  
① ~~How can we~~ Do we deserve to die b/c of Foreign policy?  
② How many more people deserve to be terrorists b/c of the displacement of peoples?  
③ Does The United States care about their possession of Guam living like a 3rd World Country? Second Class Citizens?  
④ If North Korea or China were to send missiles to the island, would the survivors be given compensation for their losses?  
⑤ Does the civilian public in Guam & The Marianas know about the contaminated sites already in Guam? i.e. Sella Bay, Ceti Bay, Apra Harbor?
